Opposition to the 685 Peak View Dr rezoning proposal.

Christmas is coming and all Frank Theis has to offer is a lump of coal. If you walk down Devon Dr you will see how 7 acres of high density housing would obstruct mountain and valley views from neighborhoods in every direction. Come take a look. I can't imagine a more ill-conceived, destructive, down right mean rezoning proposal then this one.

Merry Christmas,

Larry Bader
