**Public Comment:**

*To Whom it May Concern: Newer full time resident received a letter dated 11/28 on 12/2 for a meeting to occur on 12/15/22 to propose rezone of 685 Peak View an E1 7.62 acre parcel to R-1. I do not know of plan yet because this meeting proceeds Comprehensive Plan meeting set for 12/6 however I am aware multiple residents voiced concern October to November of exactly this, a drastic change of 1 home per acre to what could be 8 homes per acre is a big change. Sending this as a concern in the timing of this along with applicants influence in the comprehensive plan and for profit development incorporation. Thank You*
