Hello, as an Estes Park resident and specifically a resident of Koral Heights Home Owners Association on Juniper dr. I am adamantly oppose to the new proposed settlement near Peak view and Juniper - especially with that many houses on that small of acreage!

As the mother of five, I am unable to attend the meeting about this, but wanted to express my opinion of being totally against this proposal.

Thank you, Jessica Hill

Hi Jessica, thank you for your comments. I will plan to keep this email on file for future reference to the project and subsequent public hearings, and unless you object, this will be included in the public comments.

Thank you,

Jessica
