PRESERVE ESTES PARK (PEP)

## WE CARE ABOUT THE FUTURE OF ESTES PARK

Join your friends and neighbors  
in helping to maintain and  
improve the environment,  
wildlife and unique mountain  
experience of the Estes Valley.

## NONPARTISAN, DIVERSE, INCLUSIVE

Join the concerned citizens  
group Preserve Estes Park.  
Please sign our petition NOW  
to stop the destructive  
rezoning of the Peak View  
Drive area.

## QUALITY OF LIFE

We are concerned about the  
quality of life of everyone who  
lives, works and plays in Estes  
Park. We also care about open  
spaces for all of the plants  
and animals that make the  
Estes Valley so special to so  
many people.

## CONCERNED CITIZENS UNITE

We support appropriate  
workforce housing and growth.  
However, Estes Park does not  
need 2,700 new homes! Let's  
not destroy the reason people  
come here. Let's protect the  
future of our unique mountain  
home.

JOIN OUR CAUSE!  
YOUR NEIGHBORHOOD  
COULD BE NEXT!
